OUR SPECIALTY IS

Sanitary Plumbing.

There's as much difference between plumbing and SANITARY PLUMBING as there is between daylight and darkness.

Anyone can put a lot of pipes together and run them off anywhere, but with Honolulu's surface sewerage the essential point is to have the plumbing done in a way that makes the Sanitary conditions perfect.

IS A CABLE MAN

L. T. Grant, of Hilo Has Been in the Business.

Says Communication Could Be Established in Twenty Days—Manufacture—Island Lines.

L. T. Grant of Hilo, who is now visiting Honolulu on business, knows more about actually laying a cable than any other man in the country, perhaps. Up to nine years ago he was connected with the Serrano Company and was laying cable to Central and South America.

"It will be no trick at all to lay a cable from San Francisco to Honolulu," said Mr. Grant last evening. "People who suppose it will take a year or two evidently know little of the matter. We laid the cable from Panama to Valparaiso, a distance of over 4,000 miles, in 33 days. So you see the business is done in a hurry now."

"I am told that the Siemens-Halske Company of England turn out a hundred miles of cable in twenty-four hours. Of course I do not know that this is a fact, but have no reason to doubt. At anywhere near the figure the cable to the islands could be manufactured in thirty days. The scheme would then be to begin at both ends, using two ships. In twenty days from the start messages would be flying over the line."

"I have no doubt but that the cable will come this time. There is no question but that the companies seeking a franchise are in earnest, and I believe one of them will get a right of some sort. The inter-island cable is merely a small matter of detail with the company. A light cable with heavy wire near the shore lines will be laid."

Mr. Grant has a rich fund of anecdotes on his cable-laying experience in South America. He knows of the cost of a line sometimes. A ten-mile loop at Guatemala City was laid by a company for \$100,000, American gold.

TACOMA'S FREIGHT.

Her Horses and Mules to Go to Pasture for Awhile.

The ship Tacoma has 90 horses and 120 mules for Manila. Thirty-six horses were sick of lung fever on the voyage, of which four died. A mule was very sick last night. All of the animals on deck fared rather badly. Twenty-four horses were brought ashore yesterday and the others will be landed as rapidly as possible. They will go on the Dowsett pasture, on the Iwilei side of Palama, to remain until the Tacoma sails.

On the Tacoma are thirty cavalrymen, taken from all the companies of the Fourth, which passed on to Manila a short time ago. There are also seventeen civilian teamsters aboard. Lieut. Cameron, of the Fourth Cavalry, is in charge of the expedition; Dr. H. B. Emerson is surgeon, and Dr. Plummer is veterinary surgeon for the voyage.

It is not known when the Tacoma will sail. She will have extensive repairs to machinery for condensing water, which will probably take two weeks. In fact, it is anticipated that the ship may be ordered back to San Francisco, on account of the fact that, under the terms of peace, the United States merely holds Manila and it is not believed there will now be seen a need for cavalry horses.

Molokai Y. P. S. C. E.

At the annual meeting of the Kalapapa Y. P. S. C. E. the following officers for the ensuing year were elected: Wm. Nottley, president; M. K. Makana, vice-president; Malika Nottley, treasurer; R. M. Kaaoao, secretary. Refreshments followed the business part of the session.

Two-Bits a Month.

Sans Souci gives the soldiers use of its baths for 25 cents a month. This is an act of kindness on the part of Host George Lycurgius which the boys appreciate very much.

A Camp Store.

James Dodd has opened a small store at Camp McKinley for the convenience of the soldiers. No liquors will be handled. In fact, Col. Barber has tabooed such on the grounds.

Peninsula Pulpit.

It is suspected that the California M. E. Conference will not send a preacher to Pearl City this year. If the case so turns the pulpit at the Peninsula will be supplied from Honolulu.

REWARD OF MERIT.

At the CHICAGO CYCLE SHOW in 1897, each visitor on entering the Show was handed a coupon reading as below:

"After viewing the exhibits, kindly fill in the name of the Bicycle which pleases you best as regards beauty and mechanical merit, and deposit the coupon in ballot box near exits. Name of Bicycle,....."

The "Shirk" received 17,489 ballots against 12,377 the next highest. When it is known that all the leading makes of wheels in the United States were on exhibition at this Show, the above speaks for itself. The HONOLULU BICYCLE CO. have secured the agency for this strictly high grade wheel. IT WILL INTEREST YOU TO CALL AND SEE IT.

The SHIRK is the best thing that ever happened.

A LONG FELT WANT.

It is supplied in Honolulu at Last. It is hard to always be pleasant. Good natured people are often irritable.

If you knew the reason you would not be surprised. Ever have Itching Piles? Not sick enough to go to bed nor well enough to be content. Nothing will annoy you so. The constant itching sensation. Hard to bear, harder to get relief. Keeps you awake nights. Spoils your temper—nearly drives you crazy.

Isn't relief and cure a long felt want? It is to be had for everyone in Doan's Ointment.

Doan's Ointment never fails to cure Itching Piles.

Eczema or any itching of the skin. Here is proof of it in the testimony of Mr. Frank H. Green, of 425 Tenth St., Scranton, Pa., who says: "I have been a great sufferer from itching piles which bothered me day in and day out and was worse than enduring real pain. I used a great many salves in the last eight or ten years, but I never derived any permanent relief from them. If I got warm and sat down the terrible itching would begin and I always felt it come on when I undressed and retired. I saw Doan's Ointment advertised and procured a box and used it according to directions. Two applications convinced me that it was right and continuing the treatment I was entirely cured and have had ease and comfort ever since. I am a great advocate of Doan's Ointment, and at any time I shall be glad to verify the above statement."

Doan's Ointment is for sale by dealers at 50c per box, or will be mailed to any address on receipt of price, by Hollister Drug Co., Ltd., general agents, Honolulu.

Remember the name DOAN'S and take no substitute.
